Any Bonds authorized pursuant to this resolution, and the interest, reserves of the Enterprise to the proceeds thereof, shall not in any way reduce the rights of the holders of any existing bonds issued by the Commission and outstanding at the time of issuance of the Bonds authorized pursuant to this resolution, but shall be issued only in conformity with any applicable limitations then in force for the benefit of such holders.

Section 5. This resolution shall be published once a day for at least seven days in the San Francisco Examiner, a newspaper published daily in the City and County of San Francisco, being the official newspaper of said city and county, and such publication shall constitute notice of said election, provided, that publication in the San Francisco Examiner of this resolution shall be construed as a sufficient publication of said notice of election, and that there shall be inserted in a sentence in Spanish and in Chinese after the date of the publication in English, Section 3 of this resolution, and that the publication in Spanish and Chinese shall be made one time only in a non-newspaper published daily in Chinese in the City and County of San Francisco, and it shall be published twice in a Spanish language newspaper which has a substantial circulation in the City and County of San Francisco. FILE NO. 12-77-57.1 RESOLUTION NO. 681-77

SUPPORTING ASSEMBLY BILL 1107 AND MEMORIALIZING THE STATE LEGISLATURE TO AMEND SAID BILL TO ALLOW FOR FULL CREDIT FOR DISCOUNTED FARES.

WHEREAS, Assembly Bill 1107 would continue the 1/2¢ sales tax to the Bay Area Rapid Transit District beyond June 30, 1978; and

WHEREAS, Of said sales tax, 50% is paid by persons who are not residents of San Francisco, 65% of whom are commuters; and

WHEREAS, Of the 50% paid by the residents of three Bay Area counties of San Francisco, Alameda and Contra Costa, San Francisco pays 35.4%; Alameda County, 42.9%; and Contra Costa County, 21.7%, with the overall percentage of the 1/2¢ sales tax paid by San Francisco equalling 18%; and

WHEREAS, The intent of AB 1107 is to remedy the financial crisis facing BART and, for the first time, provide an opportunity for the San Francisco Municipal Railway to receive a portion of sales tax revenues for financing of its operations, said provisions allocating 75% of the revenue to BART and 25% to be divided among the San Francisco Municipal Railway, Alameda-Contra Costa Transit District and BART by the Metropolitan Transportation Commission, if fare revenues equalling 33% of operating costs are recovered; and

WHEREAS, It is the intent of this bill to provide incentives for increased operational efficiencies, such as providing safe, on-time, and reliable service, and to control dramatically escalating costs which, for the Municipal Railway in 1977-1978 are projected to equal 21% of the San Francisco property tax, increasing to a projected 37.58% by fiscal year 1985-1986; and

WHEREAS, The basic provisions of AB 1107 are permissive; and

WHEREAS, 57% of the Municipal Railway operations budget is funded from property tax revenues; and

WHEREAS, Implementation of AB 1107 does not mandate a fare increase but provides an incentive to reduce management costs and increase ridership, reliability, managerial efficiency and promptness; now, therefore, be it

RESOLVED, That this Board of Supervisors does hereby support AB 1107, recognizing the adverse impact upon San Francisco if BART were to cease operations; and, be it

FURTHER RESOLVED, That this Board of Supervisors hereby expresses its strong concern and does memorialize the State Legislature to amend the bill to provide for a full credit for discounted fares in recognition of the special urban transportation needs of senior citizens, students, handicapped persons and impacted low-income populations who must utilize public transportation in San Francisco; and, be it

FURTHER RESOLVED, That copies of this resolution be forwarded by his Honor, the Mayor, for transmittal to the State Legislative Representative and his presentation to the members of the San Francisco delegation in the State Legislature with the request that all necessary action be taken to effectuate the intent of this resolution.

SUPPORTING AB 1288, SPECIAL URGENCY LEGISLATION TO AMEND SECTIONS 8251 and 8404 OF THE EDUCATION CODE, RELATING TO CHILD DEVELOPMENT SERVICES AND ALTERNATIVE CHILD CARE PROGRAMS, MAKING AN APPROPRIATION THEREFOR, TO TAKE EFFECT IMMEDIATELY

Whereas, special urgency legislation is needed to provide additional monies in State General Funds for child care programs and to further define a child care reimbursement system; and

Whereas, existing statutes prescribe maximum reimbursement rates for child development services and for alternative child care programs; and

Whereas, AB 1288 (Lockyer, Torres, Foran, Dunlap) would delete such maximum reimbursement requirement rates and would require the Superintendent of Public Instruction to set reasonable standards and appropriate maximum reimbursement rates; and

Whereas, AB 1288 also declares necessity to design and implement a child care reimbursement system which would accomplish specified purposes; such purposes would:

"(a) maintain fiscal accountability in the use of child care funds by the Department of Education and local child development providers
(b) ensure a regular, predictable cash flow to provider agencies
(c) establish a new basis for determining reimbursements to agencies for child care services
(d) reduce the frequency of fiscal and attendance reporting
(e) provide more flexibility for parents, children, and providers in the utilization of child care facilities
(f) provide a more realistic basis upon which agencies can develop program budgets and make timely and reasonable program expenditures
(g) eliminate current burdensome and expensive hourly attendance reporting requirements
(h) facilitate a transition to the new reimbursement system which will ensure that the provisions of this act do not result in a decrease or increase in the number of children served by local agencies, or an increase or decrease in the budgets of local agencies, exclusive of cost-of-living increases", and

Whereas, AB 1288 would also appropriate to the Department of Education for apportionment to eligible child care program agencies $5,000,000 for fiscal year 1977-1978, $6,250,000 for fiscal year 1978-1979; the bill would establish maximum reimbursement levels for fiscal year 1977-1978; now therefore, be it

Resolved, that this Board of Supervisors of the City and County of San Francisco supports AB 1288, special urgency legislation to amend Sections 8251 and 8404 of the Education Code, relating to child development services and alternative child care programs, making an appropriation therefor, to take effect immediately; and be

WHEREAS, these funds are required in order to bring the sewage treatment system into compliance with State and Federal standards; and
